The Sweet Potato Hears From Industry

A Second Triumph in the Laboratory

Ray Tucker in his nationally syndicated "Washington Whirligig" column reports on an experiment over in Mississippi that may advance Southern agriculture more than any other one thing done either by private industry or by government in this generation. It is a test factory to make commercial starch out of sweet potatoes.

Experiments were started without government backing in 1934 at Laurel, Miss., to extract commercial starch from the well-known Southern yam. But early tests showed the cost of this extraction to be 12c per pound for the finished starch, compared with only 24c for starch obtained from imported raw material.

The tests went on, however. Mississippi's great senator, Pat Harrison, got the WPA to back the Laurel plant to the tune of \$150,000. Down went the production cost of sweet-potato-starch from 13c to 3c, and it has been recently cut slightly under that figure—which puts it on a nearly equal footing with the foreign figure of 24c.

Why is this important? You see instantly, of course, the importance of tying a common Southern agricultural product such as the sweet potato into an industry as universal as starch. But there is a second important point, and this concerns the whole United States: Present commercial production of starch is from imports out of the Dutch East Indies—topical, sage and arrowroot—and it is both uneconomic and politically dangerous to leave our nation wholly dependent on raw materials from distant Asia.

As for the South, starch from sweet potatoes means another laboratory triumph in the struggle to tie the products of Southern farms to the aprons of American industry.

An earlier laboratory triumph for the South, just now being realized commercially, was the production of newsprint (the coarse white paper used by all newspapers) from Southern pine. The sheet in today's Star is Norwegian, but the six- and eight-page papers issued by The Star since spring have been on Southern pine paper manufactured by the new Southland mill at Lufkin, Texas—and when the last of these four-page Norwegian rolls is used up The Star's paper will be 100 per cent Southern-made.

For the newspaper has signed a contract for approximately \$8,000 worth of paper from the Lufkin mill.

That isn't much, compared with the expenditures of the big-city dailies, but it is \$8,000 which will stay in the South for Southern timber, Southern labor, Southern capital.

Formerly all newsprint was manufactured out of Northern spruce, either along the Great Lakes—mostly in Canada—or in Norway, Finland and Sweden. Readers of The Star and all other American newspapers took their news on a sheet that almost 100 per cent of the time was manufactured outside of the United States, for most of the Northern spruce in the United States has been used up.

But nearly 10 years ago Dr. Charles H. Hurty, a chemist of Savannah, Ga., found a process for converting young Southern pine trees into white paper. Newspaper owners backed him. Dr. Hurty died before the Lufkin mill was completed—but he lived long enough to know that it would be realized, and that the little Lufkin suburb in which it is located would be called after him, "Hurty, Texas."

American newspapers spent about 150 million dollars a year for newsprint. The chemist's laboratory by making pine available instead of spruce has tied Southern agriculture close to an important industrial market.

And now another triumph of the laboratory means to add the lowly sweet potato to the pine tree as a farm producer for the industrial machines of the nation—and this is the right road to prosperity.

### CRANIUM CRACKERS

Recent Biographies  
Readers of biographies should have no trouble identifying the authors of these recent well-known biographical works all of which won the Pulitzer prize. How many can you name?

1. "Benjamin Franklin."
2. "R. E. Lee."
3. "The Raven," a biography of Sam Houston.
4. "The Thought and Character of William James."
5. "A Daughter of the Middle Border."

### Final Game of Season Here Is Thriller

Jimmy Simms Stars as Bobcats Outplay Heavier Zebras

The Hope High School Bobcats failed to convert an extra point here Thursday afternoon and lost 14-13 to the much-favored Pine Bluff Zebras in the final game of the season. Approximately 1,200 fans witnessed the battle.

On paper the heavier Zebras held a huge dope advantage but on the field they were just another team to the Bobcats who literally played them off their feet throughout most of the game. The Zebras came to life just before the half and scored two touchdowns in six minutes on long passes. They threatened again in the final period when a punt touched a Hope player and was recovered by the Zebras. Four plays showed a net loss of 15 yards just as the game ended.

Jimmy Simms, Bobcat quarterback who has been out with a shoulder injury since the Beebe game October 4, put on a one man show in the first quarter to score both Bobcat touchdowns. Simms was the best man on the field. His kicking was sensational.

**Hope Scores First**  
On the first play of the game Simms recovered Bodie's fumble on the Zebras 25 where Hammons tossed one to Martindale who was downed on the 8. Line plays netted five yards and Simms ploughed through for the score. Simms dropped kicked extra point. The Bobcats took another fumble by Bodie on the Zebras 35 late in the

### Two New Departments Are Added by Patmos School

Paul McClellan  
(Business Manager  
of school paper)

Helen Drake  
(Editor of  
school paper)

James Ratcliff  
(President of  
student body)

The Patmos Public School is now one of the outstanding institutions of Hempstead county, two new departments having been added to the school curriculum, Vocational Agriculture and Home Economics.

In addition to the two new departments student government has been organized. This has created a lot of interest between both students and teachers. Below are the names of the students elected to fill the different offices:

President of Student Body—James Ratcliff.  
Vice-Pres. Student Body—Helen Drake.  
Sec. & Treas. Student Body—Dorothy Burns.  
Reporter—Olen Reeves.  
Class Representatives to Student Council—Kathleen Reeves, Bryan Camp, Cletus Narvelle Doyle Hamilton, Hoyitt Archer, and Laverne Roberts.

The Pirate Journal, a school paper

sponsored by the F. F. A. club chapter, has also been organized. The students who are making the editing of this paper possible are:

Editor in Chief—Helen Drake.  
Associate Editor—Millard Burns.  
Business Manager—Paul McClellan.  
Associate Bus. Mgr.—James Kent.  
Sports Editor—James Ratcliff.  
Feature Editor—Marvis Hollis.  
Circulation Mgr.—Olen Reeves.  
Cartoonists—L. D. Kennedy.

The "Honor Roll" system, which has been put in effect this year, is developing a more forcible habit of study. The requirements to be met for a student to be on the Honor Roll are:

1. To make a grade average of "B".
2. To retain 91 honor points.
3. To be absent not more than five days in a school quarter, two

### Sale of Ships May Get Road to Alaska

Rumors Hint Possibility of 'Corridor' Grant From Canada

WASHINGTON —(AP)—The possibility of Canada granting the United States a "corridor" for a highway to Alaska, over which troops and supplies could be moved in an emergency, was mentioned Friday with speculation on the terms that might be involved should any additional American warships be transferred to Great Britain.

There was no confirmation from official quarters that the release of additional United States naval vessels was under consideration, or that a grant from Canada for a proposed defense highway might figure in the transaction.

### Water Waste Is Cut Down

### This Nightingale Wired for Sound

GREENVILLE, Miss. —(AP)—They've enlisted the birds in "selling" the Mississippi delta country to tourists. Because many people never have heard the dulcet tones of a "delta nightingale"—really a mocking bird—John A. Fox, secretary of the Washington County Chamber of Commerce, rigged up a recording machine with a 300-foot wire to a microphone in a cedar tree.

Before long a "nightingale" obliged by perching nearby an drendoring an aria requiring two sides of a disc to record. The record will be sent to travel agencies.

### Gas Commission Funds Raised

Governor Bailey in Announcement Friday

LITTLE ROCK —(AP)—Asserting that the state oil and gas commission had extraordinary expenses totaling \$5,041.67 during the current year, Governor Bailey Friday issued a proclamation authorizing the commission to exceed half its \$43,000 annual appropriation by \$4,000 during the six months period ending December 31.

The commission finds to avoid calamity and assure continued efficient operation of the department, it should be relieved of the requirement making its expenditures in proportion to time in the fiscal year, the executive said.

### A Thought

Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord.—Acts 3:19.

### Heavy Damage Is Claimed in Mediterranean

Broad Offense at 'Archilles Heel' Hinted by English

LONDON —(AP)—Out of blazing naval warfare in the Mediterranean and the clash of light forces in the English Channel Britain drew claims Friday of having clinched control of the sea that Italians call "ours" and the rout of German warships.

Reports filtering through the London admiralty indicated that a broad offensive intended to sweep the Mediterranean clear of Italian naval forces and to strike at Italy as "Archilles heel" of the Axis controlled continent was underway.

This is what the British say their sea forces, with the great help of the fleet air arm, accomplished this week: Damaged six Italian warships Wednesday afternoon off the Italian island of Sardinia.

Routed German "light forces" early Friday in the English Channel with thus far unspecified damage to the fleeing German craft and admitted damage to one British ship.

Bomber the port of Laki, on the island of Lero, in the Italian-held Dodecanese Islands—in eastern Mediterranean, where fires were set in the waterfront area and a vessel and probably a warship, were attacked.

### Pogoradz Taken

ATHENS —(AP)—The fierce bombardment of Italy's sea gateways into Albania and the rout of Italian destroyers bombing the now British-defended Greek island of Corfu were reported Friday by the British Royal Air Force.

(Meanwhile it established the Greeks in possession of Pogoradz Italy's stronghold in the west, 30 miles inside Albania. Associated Press correspondent with the Greek armies, sent out the first on-spot verification of Pogoradz' fall, writing the dispatch on a typewriter abandoned by an Italian officer.)

### Claims Advance Halted

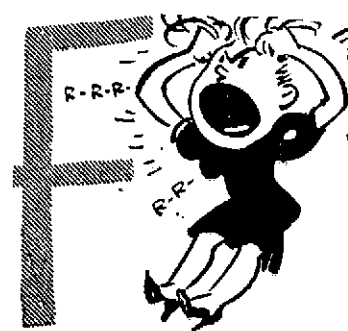

ROME —(AP)—Italian sources reported Friday night that the Greek advance into Albania had been halted and that Fascist forces were massing for a counter-offensive.

Mussolini named General Alfredo Guzzoni as his assistant in the war ministry in a further step in a military shakeup which intended to turn the month-old Greek campaign back toward victory.

### Peace Train Is Blown Up

Blame Is Laid on Chinese; Between 100-400 Dead

SHANGHAI —(AP)—Five coaches of the Shanghai-Nanking train were blasted from the tracks Friday and between 100-400 persons were killed and injured as the toll of a dynamite mine reported laid by Chinese guerrillas to spoil the impending ceremonial signing of the Japanese-sponsored treaty at Nanking.

## Jimmy Simms Catches a Pass for Hope's Second Touchdown

This was the standout play of the Hope offense Thanksgiving day at the local stadium when the Bobcats went down by a single point, 14-13, to the Pine Bluff Zebras.

The Star's picture shows Jimmy Simms, Hope quarterback, catching a pass and running for the Bobcat's second touchdown. Foy Hammons, fullback, standing on Pine Bluff's 35-yard line, rifled the pass from the east side of the gridiron over to Simms, on the Pine Bluff 30,—and Simms, without missing a stride, took the ball and galloped to glory down the west sideline.

At the left is Bill Summerville, umpire, and beyond Simms is Kerns Howard, head linesman.

## Personal Mention

Dr. Thomas Brewster, who has been confined in St. Vincent's hospital in Little Rock for the past several weeks, will return to the city Saturday at noon.

Mr. and Mrs. Jack Williams of Sheridan spent the Thanksgiving holidays with relatives and friends in the city.

Mr. and Mrs. S. E. Gilliam and children of El Dorado are spending the holidays with Mrs. Gilliam's parents, Mr. and Mrs. R. M. LaGrone Sr.

Miss Elizabeth Dean of Forrest City is the guest of her cousin, Mrs. Jack Cornett, and Mr. Cornett. Miss Dean is attending the University of Arkansas at Fayetteville.

Mr. and Mrs. W. P. Roberts and son Billy Roberts, Jr., and Miss Helen Moore of Hugo, Oklahoma, spent Thursday with Mrs. D. T. Chamberlain and Miss Genie Chamberlain.

Mr. and Mrs. W. H. Gunter had as Thanksgiving guests, Mrs. Gunter's sister and brother, Miss Murrey Toland of Little Rock and Jimmy Toland of Prescott, and Mrs. Earline Key and Frank P. Gunter of Atlanta, Texas.

Mr. and Mrs. Jim Wilson of Columbus were Thursday guests of Mr. and Mrs. N. T. Jewell and Mr. and Mrs. Harry Briant.

Dr. Charles and Etta Champlin and Miss Mammie Twitchell motored to Texarkana Thursday and were dinner guests of Dr. and Mrs. LeRoy Thompson of Roswell, New Mexico. The Thompsons are former residents of Hope, where Dr. Thompson was the minister of the First Presbyterian church.

Miss Betty Jean Steed of Pine Bluff was in the city Thursday to attend the Pine Bluff-Hope football game.

Miss Mary Sue Kent of Magnolia A. & M. college is spending the Thanksgiving holidays in the city with her parents, Mr. and Mrs. John Kent.

Miss Martha Waddle left Thursday for Alexandria, Louisiana where she has accepted a position with the S. and W. construction company.

Mr. and Mrs. H. D. Coffman had as Thursday dinner guests, Mrs. William Metcalf and little daughter, Sarah Sue, of Texarkana, Mrs. Clifford Aubrey of Detroit, Texas, Mr. and Mrs. Leslie Coffman of Austin, Texas, Mrs. Erin Strubling of Ithaca, Oklahoma, and Mr. and Mrs. Otto Smith.

Mr. and Mrs. Tom Sawyer of Little Rock spent Thursday with her mother and sister, Mrs. Corrie Bartlett and Miss Jewell Bartlett.

Mr. and Mrs. Franklin Horton had as Thanksgiving day guests, Mrs. Horton's sister, Miss Dora Nelson of Texarkana, Mr. and Mrs. W. M. Williams and son Bill of Blytheville, and Bob Nelson of Paris, Texas.

Mr. and Mrs. Lloyd Fairchild and Arthur Dale Erwin of Ross were Thursday guests of Mr. and Mrs. Howard Erwin.

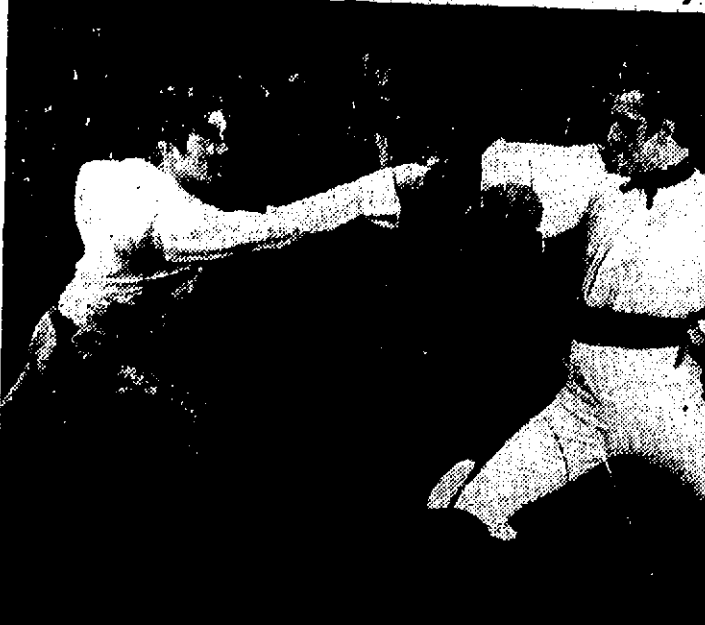

The Misses Jennie and Margaret Betts of Warren spent Thanksgiving day with their sister, Mrs. Leo Robins, and Mr. Robins.

## SUNDAY SCHOOL LESSON

Tolerance and Intensity Essential For All Who Would Be Disciples  
Text: Luke 9:49-62

By WILLIAM E. GILROY, D. D.  
Editor of Advance  
Under the title "An Exacting Discipleship," this lesson emphasizes two aspects of sincere and earnest Christian discipleship that have not always been associated in thought or in individual Christian experience. On the contrary, too often they have been regarded as mutually contradictory.

## Saenger—Sunday—Monday

"Mark of Zorro" — with Tyrone Power

These two aspects of Christian discipleship are tolerance and intensity. If they had both been recognized and practiced, how different the course of the Christian centuries might have been! Is it not also strange how the clearest and most incisive teachings and examples of the New Testament are the things most disregarded in practice?

Jesus emphasizes the lesson of tolerance in a striking incident. Some man, observing the course of Jesus and probably under the influence of demons in His name. That is all we know about him, but evidently the man was acting sincerely and with efficiency.

But John, always very earnest and intense for his Master and for the rights and privileges of the inner group of disciples, rebuked the man and forbade him because, as he said, "he followeth not us." But Jesus rebuked John in very clear and emphatic words, "Forbid him not, for he that is not against us is for us." That is the lesson of tolerance. The tolerant Christian comes more for right principles and right action and results than he does for labels and organizations and for agreement with his own particular expression of religious opinions. He realizes that it is by their fruits that faith and teaching are known, and he is willing to recognize the good that is done even though it may be done by and through those with whom he differs very sharply regarding points of doctrine, organization, or other matters.

Can Christian people be thus tolerant and at the same time be earnest and consecrated in living up to their own convictions? Why not? Here in the lesson Jesus is just as insistent upon the intensity of discipleship. It is enforced in two or three ways.

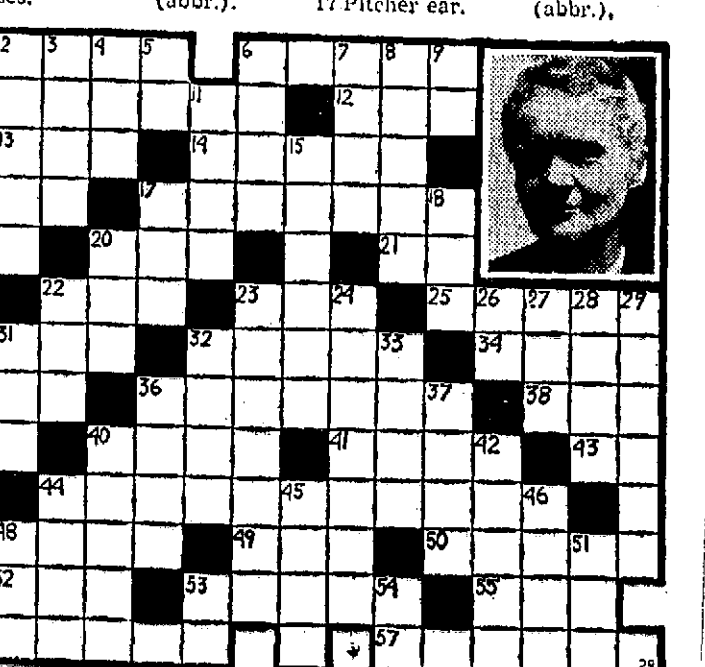

There is the story of a certain man who came and expressed the purpose to follow Jesus wherever he might go. The reply of Jesus is as impressive as it is sad, "The foxes have holes and the birds of the air have nests, but the Son of man hath not where to lay his head."

The other incident of the man who would follow Jesus, but who said, "Lord, suffer me first to go and bury my father." This is a little more difficult for us to understand. On the surface, and with the bold statement as it stands, our sympathies seem to be with this man who made what appeared to be a reasonable request; but we do not know what was in the background of the incident. The probability is that Jesus sensed in the man some insincerity and that He said this to put him to the test.

## Paragould Wins Over Jonesboro

Bulldogs Close Their Season Without Defeat

JONESBORO — The undefeated and untied Paragould High School Bulldogs won their twelfth consecutive game by defeating Jonesboro, 13 to 6, here Thursday.

On the short end of the first down totals, 15 to 6, the Bulldogs were strong defensively and twice held on the goal line. Once Jonesboro reached the Paragould six and later the two, but the Bulldogs took over on the 15 each time.

Jonesboro was set for the Bulldogs' famed running attack, with passes to Ray Johnson, but it was A. J. Stearns, big left end, who made the touchdowns. He caught passes for 17 and 27 yards to score the Bulldog touchdowns in the first half. Robert Wheelis kicked the extra point after the first score.

Little Rock Beats N. L. R. LITTLE ROCK — Slapped around statistically and in danger of defeat until the last two minutes, Little Rock's Tigers converted two enemy fumbles into touchdowns and defeated the determined North Little Rock Wildcats, 13 to 7, before about 6,000 spectators in the Little Rock stadium Thursday afternoon.

Coach Clyde Van Sickle's Bengals p. m. and will be led by Mr. Richard Davis. Do not miss the Mid-week Prayer Service.

Public singing each Thursday evening.

We welcome you to all services.

FIRST CHRISTIAN CHURCH  
North Main and West Avenue B

Bible School at 9:45 a. m.  
Morning Worship and Communion Service at 10:50 o'clock.  
Christian Endeavor Society at 6:45 p. m.

Evening Worship Service at 7:30 o'clock.

Both morning and evening services, next Sunday, will be centered around "Christian Missions"—in observance of our annual Woman's Day. At the morning hour the Minister will deliver a message entitled: "The Love of Christ." The evening service will be under the direction of the local Woman's Christian Missionary Society.

It is our sincere desire to have "whoever will" fellowship with us next Sunday morning or evening.

PRESBYTERIAN  
Preaching at 11 o'clock.  
No Evening Service.  
Dr. Brewster will fill pulpit.

There are passages and incidents in Scripture in connection with which we have to construct an imaginative background unless we are to be misled into harsh and unfair interpretations. The compassionate Christ who wept as he entered the home of Mary and Martha where his friend, Lazarus, was dead, could not have been unsympathetic toward a man professing sincere concern about his father.

But one thing does stand out: that the Christian discipleship is exacting. It is the supreme commitment of a man's life and in the real showdown nothing can stand in its way.

All classes of the B. T. C. meet at 6:30. You will enjoy this work. There is a class for everyone.

## To Ban Defense Plant Strikes

### Two Bills Introduced; Aluminum Workers Return

WASHINGTON—(P)—Two bills aimed at preventing strikes at plants producing defense materials were introduced in the house Thursday.

Attorney General Jackson informed the House Judiciary Committee he had no advice to offer it on this question. Jackson's opinion on whether new legislation is needed was asked by Chairman Sumners (Dem., Tex.) of the Judiciary Committee after a storm of criticism in congress earlier this week on the work stoppage in the Vultee Aircraft Corporation which holds \$84,000,000 in defense contracts.

The attorney general said he did not feel justified in "making recommendations covering the field of labor relations."

The measures introduced in the house were sponsored by Representatives Smith (Dem., Va.) and Hoffman (Rep., Mich.)

Smith proposed to prohibit strikes or lockouts except on 30-day notice, during which period the secretary of labor would first attempt mediation and then arbitration. Should either party refuse these offers, the president would be called upon to make public such facts. A strike or lockout during mediation efforts also would be called to the attention of the chief executive.

Smith's bill also would impose penalties up to life imprisonment for sabotage at defense plants and would forbid either a union or employer to coerce workers to join a union.

Hoffman's bill would require contracts between the factory and its employees covering hours of work, wages and length of employment and would forbid strikes at defense plants during the current emergency declared by the president.

### Aluminum Strike Ends

NEW KENSINGTON, Pa. —(P)—C. I. O. workers at the Aluminum Company of America plant here voted Thursday night to end a week-long strike which stopped work on several big defense orders and made 7,500 employees temporarily idle. They returned to work Friday.

Under the agreement, a \$27-a-week worker blamed by the union for causing the walkout because he threatened a committee attempting to collect \$12 in back dues, will be transferred to the Logan Ferry plant of the company.

## A Ford "Special" for the Thrifty

THE NEW FORD "SPECIAL" for 1941 is an economy car but it has all the major essential values found in the DeLuxe and Super DeLuxe models. The Special is "tops" for salesmen, farmers, fleet owners

and others to whom utility is foremost. Roominess, high performance and excellent riding qualities are among the outstanding characteristics of this newest edition to the Ford passenger car line.

## C. M. E. Church in Conference

### Five-Day Session Opens at Nashville Church

NASHVILLE, Ark. — The twenty-fifth session of The Southwest Arkansas annual conference of the Colored Methodist Episcopal church convened with New Light C. M. E. church Wednesday, Bishop James A. Bray of Chicago, presiding. The session runs through Sunday.

The Sacramental Service was delivered by Rev. A. L. Miller of El Dorado. The Sacrament was administered by The Bishop, assisted by Elders C. I. Bullock and F. D. Adams and Charles H. Smith. About 200 persons communed. The Spirit ran high. Men and women wept like children.

The conference was organized by electing A. L. Miller chief secretary; D. A. Bell, assistant secretary; L. W. Anderson, Statistician; Rev. J. H. Currier, Collector for the Christian Index; J. S. Briggs, reporter to the papers. The various committees were appointed.

Rev. L. T. Turner and his good people have things arranged so come on to Nashville and see the greatest Bishop in Colored Methodism in action.

The different churches have thrown open their doors, their members and friends bid you welcome. This is destined to be the banner session of the Southwest Conference.

## Final Game of

(Continued from Page One)

same period. After two plays failed to gain Simms dropped back and booted the ball out on the one yard line. The Zebras punted to the Hope 30 where Hammons tossed a short pass to Simms who outran the entire Pine Bluff team for the second score. He failed to convert the extra point.

The Zebras came to life late in the second period to score two touchdowns and convert both extra points for the margin of victory. Taking possession of the ball on the Hope 47, Line plays netted a first to the Bobcat 36 where Powers heaved a long one to Forsythe for the first Zebra score. Bodie converted. A short time later Pine Bluff again took the ball on Hope's 40. Again a long pass elicited to put the ball on the 8 yard line. Galloway crashed over on the fourth down to tie the score.

Bodie kicked the extra point which won the ball game. Pine Bluff kicked off and Simms cut through tackle for 23 yards to the Zebras 40 as the half ended.

Neither team seriously threatened in the final half. Pine Bluff got to the Hope 20 in the last quarter when a punt, which touched a Hope player, was recovered on the Bobcat 40. The Zebras made two successive first downs to the 20 before the Hope line held and fourth down put them back to the 35 as the game ended.

The entire Bobcat team played well defensively and offensively. For Pine Bluff, Michael proved to be the best ground gainer with Forsythe showing up well at end. Nine Bobcats, May, Bundy, Bradshaw, Yocom, Martindale, Jewell, Clark, Breeding and Snyder, ended their high school football career. Although the Zebras held an edge in first downs, 11-6, most of them came in midfield. Hope attempted nine passes, completed 2 with no interceptions. Pine Bluff completed three of seven and had one interception. Hope penalized two times for 20 and Pine Bluff one for 5 yards. Both sides were offside frequently.

Officials were: Referee, Cole, U. of A.; Umpire, Sommerville, Henderson; Headlinesman, Howard, Ouachita.

## Water Waste

(Continued from Page One)

Plant, has been considerably reduced by systematic tests and equipment changes. Plant Manager C. O. Thomas told Hope Rotary club at its luncheon meeting Friday noon in Hotel Barlow.

About 900,000 gallons of water that formerly was wasted each month so far as cash revenue to the plant is concerned, has been saved. Mr. Thomas said, and this amounts to 7 1/2 per cent of the total gallonage pumped per month.

The speaker gave an interesting review of an article on suppression of water waste in the public utility business which he had written for a utility trade magazine, based on his experience as local plant manager. Hope, Mr. Thomas continued, draws its water supply from three deep wells, the water being pumped direct

## Would Fly If Necessary

### Roosevelt Says He Might Fly in an Emergency

WASHINGTON —(P)— President Roosevelt told a surprised press conference Friday that he might use an air plane for the first time in eight years if it should become necessary while he was away from Washington to return within 12 hours for some emergency.

He said he was planning a trip next week but could not say now where he was going.

## LIBRARY NOTES

Complete books on Christmas will be found on the reference shelves of the Hope Hempstead County Library.

"Let's Celebrate Christmas" by Horace J. Gardner is one of the newest books available and this is the book to make your Christmas party a success. Planned parties, games for young and old, refreshment ideas, decorations, carols and plays are presented for use by the party giver. The legends and customs of Christmas will serve as excellent source material and will answer all your questions about Christmas as we know it today.

The collection of poetry and stories will prove invaluable for "Reading aloud" and also they are admirable suited for use recitation pieces.

"Games" by Jessie H. Bancroft is one of the best books that aims to be a practical guide for the player of games—whether child or adult—and for the teacher or leader of games. A wide variety of conditions has been considered including schools, playgrounds, gymnasiums, adult house parties, country clubs and children's parties.

"Red Letter Days," by Elizabeth H. Sechrist and "Happy Holidays" by

into the mains, with two concrete surface reservoirs holding a reserve supply.

Eighty-four per cent of the connections are metered.

The growth of the city's water business between early 1939 and late 1940 was shown by Mr. Thomas in the following table:

	1939	1940
Total water connections	1,627	1,693
Metered connections	1,258	1,419
Unmetered connections	339	274

## "Drafted" to Beauty Throne

Jean Carolyn Roff, above, comely Chicago University freshman, refused to enter a school beauty contest. But when a photographer submitted her photo, she was "drafted" to be campus queen, reigning at the first All-campus Dance.

Frances G. Wickes are both books of holiday customs and the Big Fun Book by Jerome S. Meyers includes games of all kinds suitable for both young people and adults.

"Holiday Cards for you to Make," by Edith Ackley is full of delightful, original ideas and will assist you in making your own cards making them both original and individual. A Christmas card which you design or make yourself for someone you care for, gives a different sort of feeling in the sending and the recipient a

## Fall From a Tower Fatal

### Homer Dugan, 32, Memphis Falls 130 Feet, Dies

LEWISVILLE—Homer Dugan, 32, of Memphis, Tenn., was fatally injured Thursday afternoon when he fell from a 130-foot water tower on which he was working.

Dugan, who suffered a fractured arm and skull and internal injuries, was treated in Lewisville and later moved to a Texarkana hospital where he died.

Witnesses said he fell several feet, caught a rope but was unable to break his fall. The rope deflected his fall and caused his body to spin in the air. He continued to fall and his head struck a beam before he hit the ground. He is survived by his widow who lives in Memphis.

Washing citrus fruits with hot concentrated solutions of borax before storage prevents growth of green mold.

A service station on wheels, complete to free air and water, is used on a 40,000 acre California farm.

## How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
